

Independent Housing with Services

Typically these are apartments that include one or more of the following supportive services: meals, housekeeping, transportation, socialization activities, laundry. Personal/home care services through a licensed home care agency are usually available at an extra cost. These facilities are not licensed or regulated by New York State Department of Health, however, they follow all Fair Housing laws and requirements. Most are on a private pay basis - typically \$2000 - \$4000/mo. Residents may purchase personal/home care services through licensed agencies, which can be paid for privately or may be covered by a Long-Term Care Insurance policy.
